College ID Codes:
CEEB No. 3102
FICE No. 002167

Accreditation: Berkshire Community College is accredited by the New England Association of Schools and Colleges. Individual programs may also be accredited by their individual accrediting agencies. Refer to the college catalog for further details.

Awards and Completions: Formal awards noted on the transcript include the Associate in Arts and Associate in Science degrees and Certificates. Completion of the MassTransfer Block (since Fall 2009) and completion of additional options within a degree program (since Fall 2011) are also noted on the transcript.

Calendar: Unless otherwise noted, all course work completed at the College is under a semester system which is approximately 15 weeks in length; thus, the unit of credit is the semester hour.

Course Numbering System: The following system was adopted for institutional courses beginning with the 1994-1995 academic year:

001-099 Courses taken to prepare for regular college-level courses. Course credit cannot be used toward a degree.

100-199 College-level courses normally taken in the first half of an associate degree program.

200-299 College-level courses normally taken in the second half of an associate degree program.

Repeated Courses: Students may elect to repeat courses. The highest grade stands as the official grade. Repeated courses that are identified by the system are noted in the transcript column headed "R". The grade that has been removed from the GPA is noted with an "R" in this column. See also the section on credit types for manually identified repeat courses.

Grading System: Berkshire Community College is on a 4-point grading system. The following grade notations are used in calculating the Grade Point Average (total grade points divided by total GPA course hours):

Credit Types: The "Typ" column on the transcript refers to credit types. These codes are used to differentiate between types of credit, sources of credit and to note the removal or waiver of certain credits from the GPA calculation. The following codes are used:

Type Description

I Institutional. Credits taken at Berkshire Community College. Since 1990, it also identifies college-level credit.

D Developmental. Credits taken at the College since 1990 which are not applicable to a degree program.

H Honors. Credits taken at the College in honors level courses since Fall 2003.

T Transfer. Credits transferred to the College from another college or university.

AP Advanced Placement. Credits granted for Advanced Placement examinations.

CL CLEP. Credits granted for College Level Examination Placement exams.

CH Challenge. Credits granted through the challenge examination process.

DT DANTES. Credits granted for DANTES exams.

LE Life Experience. Credits granted for life experience.

XR Cross-registration. Credits earned at another institution through a formal cross-registration agreement. These credits calculate in the GPA like institutional credits.

R Replaced Manually. Credits which have been removed from the GPA calculation because the course was repeated. Used in cases where the system does not automatically identify the repeat.

DF "D" and "F" Grade Waiver. Credits which have been removed from both the GPA calculation and earned credit totals. Used for students approved under the "Program Change" or "Fresh Start" policies (see college catalog).

FS Fresh Start Waivers. Credits which have been removed from the GPA calculation under the "Fresh Start" policy (see college catalog). Credit is earned, but the grades are removed from the GPA calculation.

Eligible to Re-enroll Policy: Students are eligible to continue unless otherwise noted. Students on academic suspension must petition for reinstatement.

Alteration or forgery of this document may be a criminal offense.
